

## TECHNICAL DATA SHEET

GENERAL DESCRIPTION					
Bag Type	 <p>PBS 2D.1-1W Pollination Bag</p>				
Manufacturer	PBS International Ltd				
Description	<p>This product has the slimmest profile in the range and is suitable for many applications.</p> <p><b>duraweb®</b>, the unique material that our products are made from, is much stronger than paper or plastic and is durable in rain and windy conditions.</p> <p>The advanced breathability of <b>duraweb®</b> creates an environment inside the bag that minimises humidity and high temperatures far more effectively than paper or plastic bags. It halts unwanted pollen, reduces contamination and increases seed yield.</p>				
Country of Origin	United Kingdom				
HS Code	HS 392329 90 0				
Storage	Store in cool, dry conditions
