| Bag Type | PBS 2D.2-1W Pollination Bag | |
| Manufacturer | PBS International Ltd | |
| Description | This product has the slimmest profile in the range and is suitable for many applications. duraweb®, the unique material that our products are made from, is much stronger than paper or plastic and is durable in rain and windy conditions. The advanced breathability of duraweb® creates an environment inside the bag that minimises humidity and high temperatures far more effectively than paper or plastic bags. It halts unwanted pollen, reduces contamination and increases seed yield. | |
| Country of Origin | United Kingdom | |
| HS Code | HS 392329 90 0 | |
| Storage | Store in cool, dry conditions | |
| PRODUCT DATA | | |
| Dimensions | Pollination Bag: • Length: 63.5cm • Width: 45cm | Observation Window: Length: 12cm Width: 12cm |
| Materials | Pollination Bag: non-woven polyester Observation Window: UV Stable PVC | |
| Colour | White | |
