

## TECHNICAL DATA SHEET

GENERAL DESCRIPTION			
Bag Type	 <p>PBS 2D.4-2W Pollination Bag</p>		
Manufacturer	PBS International Ltd		
Description	<p>This product has the slimmest profile in the range and is suitable for many applications.</p> <p><b>duraweb®</b>, the unique material that our products are made from, is much stronger than paper or plastic and is durable in rain and windy conditions.</p> <p>The advanced breathability of <b>duraweb®</b> creates an environment inside the bag that minimises humidity and high temperatures far more effectively than paper or plastic bags. It halts unwanted pollen, reduces contamination and increases seed yield.</p>		
Country of Origin	United Kingdom		
HS Code	HS 392329 90 0		
Storage	Store in cool, dry conditions
