

TECHNICAL DATA SHEET

GENERAL DESCRIPTION		
Bag Type		PBS 2D.5-2W Pollination Bag
Manufacturer	PBS International Ltd	
Description	This product has the slimmest profile in the range and is suitable for many applications. duraweb®, the unique material that our products are made from, is much stronger than paper or plastic and is durable in rain and windy conditions. The advanced breathability of duraweb® creates an environment inside the bag that minimises humidity and high temperatures far more effectively than paper or plastic bags. It halts unwanted pollen, reduces contamination and increases seed yield.	
Country of Origin	United Kingdom	
HS Code	HS 392329 90 0	
Storage	Store in cool, dry conditions	
PRODUCT DATA		
Dimensions	Pollination Bag: - Length: 100cm - Width: 75cm	Observation Windows: - Front - Length: 30cm Width: 15cm - Back – Length: 15cm Width: 15cm
Materials	Pollination Bag: non-woven polyester Observation Windows: UV Stable PVC	
Colour	White
